## STANDARD FEATURES

- Aluminum Stem and Frame
- Cast Canopy
- Metal Finishes:
  - Satin Nickel Brushed & Lacquered Finish
  - Oil Rubbed Bronze Painted Finish
- UV Resistant Shade Backer Laminate (Fabric only)
- White Opal Acrylic Top Screen and Bottom Lens
- Mounts to Standard J-Box
- NFPA Rated
- Made in USA

DC15

### FINISH:

SN = Satin Nickel  
OB = Oil Rubbed  
Bronze

### SHADE:

\_\_\_ - Select from  
our textile or wood  
vener options.  
COM = Customer's  
Own Material

### VOLTAGE:

120 = 120 Volts  
277 = 277 Volts

### LAMPING:

Sockets:  
LEDE26  
LEDGU24

LED Modules:  
LEDMODSC-27  
LEDMODSC-35  
LEDMODS09-30  
LEDMODR15-30  
LEDMODR16-40  
LEDMODR22-40

### OPTIONS:

WPE = Clean  
Laminated  
Wipeable  
Protective Finish  
(fabric only)

SBA = Sandblasted  
White Acrylic Lens

NBF = No  
Bottom Finial

Design modifications available - Please consult factory

## LAMPING

**SOCKETS:** We offer several common socket bases that are intended for use with LED replacement lamps. Please note that fixtures specified with these sockets will have wattage restriction labels showing the wattage level noted in the chart to the left. These wattages are common maximum levels for the associated LED replacement lamp. The exact wattage, lumen output, and CCT is a function of the particular LED lamp chosen by the specifier.

**LED MODULES:** We offer fixtures with integrated LED modules. The voltage available, wattage, lumen output, and CCT are a function of the particular LED Module specified.

For **RGB** and **TUNABLE WHITE** options, please consult factory.

Hi/Lo Variable Occupancy sensors are available on certain LED Modules. Please consult factory.

Sockets	Description	# of Sockets	Maximum Watts per Socket	Total Watts (maximum)	Volts	Dimmable
<b>LEDE26</b>	Medium Base	2	20	40	120	Yes
<b>LEDGU24</b>	Twist and Lock	2	20	40	120	Yes

Modules	# of Modules	Watts per Module	Total Watts per Fixture	Lumens per Module	Total Lumens per Fixture	CRI	Life/ Hours	Input Voltage	CCT	Dimmable	Warranty
LEDMODSC27	1	4.8	4.8	285	285	84	30,000	120	2700K	0-10V	3 years
LEDMODSC35	1	4.8	4.8	300	300	83	30,000	120	3500K		
LEDMODR09-30	1	8	8	850	850	85+	40,000	120,277	3000K	0-10V Triac/ Phase	5 years
LEDMODR15-30	1	13	13	1500	1500						
LEDMODR16-40	1	13	13	1600	1600						
LEDMODR22-40	1	19	19	2200	2200						

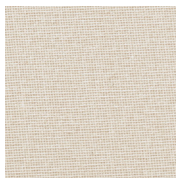

For Recommended Dimmers, please consult factory.
